

# FREE TRAINING

## Recognition, Response & Administration of **NALOXONE**

**Law Enforcement qualifies for:  
2 HRS of Mental Health CLEET  
WHAT IS NALOXONE?**

Naloxone is a safe, easy to use nasal spray used to reverse the effects of an opioid overdose and restores the person's breathing.

*\*Naloxone kits will be available to organizations that pre-register by  
5:00pm Wednesday, May 2nd.*

### TRAINING LOCATION

Wednesday, May 16th 3:00pm  
Tulsa Health Dept.  
Collinsville Health Center  
1201 W. Center St. Collinsville, OK 74021

### HOSTED BY

Northern Tulsa County Coalition  
Sooner SUCCESS Tulsa/Rogers County  
Tulsa Health Dept: Collinsville Health Ctr.

**Oklahoma Department of Mental Health  
and Substance Abuse Services**

### WHY?

**Drug Overdose** is the leading cause of death in the United States.

**About 2 Oklahomans a day** die from an opioid overdose

**Law Enforcement personnel** are often the first ones on the scene of an overdose.
