Alert Adults is a non-profit organization committed to eliminating child sexual abuse. We are achieving this through adult-centered education, promoting public awareness of prevention, and promoting mandatory training for anyone who works with kids. Educating adults about the eight potentially risky behaviors used by child predators and how to safely intervene. Our goal; that no child will ever be sexually abused by someone who says they love them.

Alert Adults is a 501 (C) (3) tax exempt organization. 100% of donations go directly to the prevention of child sexual abuse.
