Referral Helpline
- Disability.gov

This website is an easy-to-use resource for people with disabilities. On the site, users can find disability-related information and government programs in an array of different categories. One such category is *Community Life*. This section of the website is devoted to providing full participation in the community for those with disabilities. A list of resources along the left-hand side of the page is aimed at doing just that and ranges from independent living, to cultural activities, to volunteering and community service. <http://www.disability.gov/>
