The Reason "Waiting" is so Long!

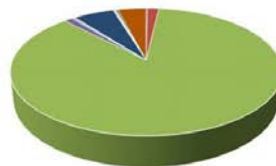

- School Age - After school and summer care needed
- After high school - working parents
- Aging individuals - who's supporting them now?
- Senior Citizens - Shouldn't they know they are supported?

Printing provided by the Center for Learning and Leadership, Oklahoma's University Center for Excellence in Developmental Disabilities, through a funding from the US Administration on Intellectual and Developmental Disabilities (Grant #H0000085).

The "Age and Length of time" information is gathered by OKDHS. OKDHS uses their existing systems along with other systems and reconcile the service recipients names with the waiting list names. It is current as available to OKDHS.
