

April 2020

*If your child is 4 years old or older, not potty trained (as a result of their disability) and on SoonerCare- contact me for an application for diapers, wipes and bed pads

*If your child has a developmental disability, make sure they are on the DDS wait list. While you are waiting I can help you apply for other programs from DDS (if you qualify). Not sure if you are on the DDS wait list or need an application, let me know.

*Changes to the Lifespan Respite Voucher Program through Sooner SUCCESS- \$400 every 3 months, no income limits, respite provider can live in the same house as the care receiver and care giver (still must be over 18 and have a Social Security Number)

This program provides respite vouchers to families with a child with special needs and grandparents (54 or younger) raising grandchildren

Oklahoma Autism Center

Join us for World Autism Awareness Month we host the What Works Webinar series for parents, caregiver, and professionals.
