A Place for you & me

A disability awareness program for grades K-4 that helps students understand the importance of community building through the acceptance of their peers with disabilities. This program will teach students about creating positive communities, Braille and Sign Language as forms of communication, assistive technology, and the many types of adaptive recreation. This program is made possible through the support of the Oklahoma Developmental Disabilities Council.

Grade Divisions: Elementary (K-4)

Original Publication: Spring 2011 (2010-2011 school year)

Program Components: [Student Supplement](#), [Teacher's Guide](#), [Lesson 1](#), [Lesson 2](#), [Lesson 3](#), [Lesson 4](#)

<http://nie.newsok.com/programs>

CASA: Garfield County Child Advocacy Center
Recruits, screens and trains community volunteers to act as Court Appointed Special Advocates for abused and neglected children in juvenile "deprived" proceedings, and to help ensure their needs and best interests are served while wards of the juvenile courts. Serving Garfield and Blaine Counties.

Community IEP Partners

Trained Community IEP Partners are matched with parents who would like support at their child's IEP meeting. The partner receives ongoing training and support from OPC and a \$25 stipend for each meeting they attend. The role of the partner is to help the parent prepare for the meeting and then take notes and act as a trained listener during the meeting as someone who is familiar with special education rules and regulations. Partners are trained to model positive parent/professional partnership and collaboration. TO request an IEP partner contact Nancy Garner at the Oklahoma Parent Center.

Phone: 1-877-553-4332 or 405-601-1599

Email: ngarner@oklahomaparentscenter.org

http://www.oklahomaparentscenter.org/COMMUNITY_IEP_PARTNERS.html

Count Me In

Puppet presentation to promote peer acceptance of individual differences in the regular classroom. Call for list of available programs. Target age group: elementary age students.

Contact Nancy Garner at the Oklahoma Parent Center.

Phone: 1-877-553-4332 or 405-601-1599

Email: ngarner@oklahomaparentscenter.org

Disability Awareness Coloring Books

Download or print coloring books designed to help adults start disability awareness discussions and to help kids understand that differences are just a natural part of life. Available in both English and Spanish.

http://www.uwyo.edu/wind/cpac/coloring_books.html

Disability Story Sessions

Story sessions are available on a variety of disability diagnoses for 1st-3rd grade classes. This is a great way to help peers understand the needs of a classmate with special needs. Each story is followed by a question & answer period. Sessions can be tailored to meet the needs of a specific classroom or child. For more information contact:

907 S Detroit

Enid, OK 74106

(918) 561-1357

Described and Captioned Media Program

Provides free-loan, open-captioned videos to deaf and hard of hearing persons. More than 4,000 titles including classic movies, educational videos, and special-interest videos are available. Teachers may use CMP videos and their accompanying lesson guides in the classroom. The CMP videos enhance the literacy value to all students in the classroom, even though only one child may have a hearing loss. Participation is limited to deaf or hard of hearing Americans, their parents, families, teachers, counselors, or others whose use of our collection would benefit a deaf or hard of hearing person. Recently added ... Video-described media for persons who are blind and visually impaired.

<http://www.cfv.org/>

Loan Closet

90-day equipment loans for consumers and persons with a disability. Can also assist with: Info & Referral, Skills Training, Advocacy Training, Peer Counseling, Social/Recreational Activities, Transportation, & Emergency Intervention.

Effective Programming for Young Children with Autism (Ages 3-5)
<http://www.specialed.us/autism/early/ear11.htm>

First 100 days with Autism

Autism Speaks has created a *100 Day Kit* specifically for newly diagnosed families. The goal is to help families make the best possible use of those first 100 days following the diagnosis of autism. The kit contains information and advice from trusted and respected experts on autism and parents of children with autism. There is a week by week plan for the first 100 days, organizational suggestions and forms that parents/caregivers can use to help with the paperwork and phone calls, as they begin to find services for their child
http://www.autismspeaks.org/docs/family_services_docs/100_day_kit.pdf

Helping Hand Grant -- For families of children with autism

This program offers up to \$1500.00 in grant money per family through the National Autism Association. The money can be used for biomedical treatments, supplements or therapies (this does include summer camp programs) for your child with autism. For more details or an application, check out:
<http://www.nationalautismassociation.org/helpinghand.php>

Jumpstart Clinic – OUHSC Child Study Center

Visual support for individuals with Autism
<http://www.polyxo.com/visualsupport/>

YMCA Swim Program for Children with ASD

Here's how the program works:

1. Interested parents contact the YMCA at 580-237-4645 and set up an appointment with Kathi Black or Kim Haley.
2. Together they determine the individual needs of the child (what supports the child will need, how their autism is presenting itself and how that impacts their ability to enjoy the water, and what goals the family has for their child & swimming).
3. The family selects a class time (Classes are 30 minutes long and are scheduled on Tuesday & Thursday evenings at 5:45; 6:15; 6:45; and 7:15 p.m.)

Students can be any age and have any type of autism spectrum disorder. The program is open to both YMCA members and non-members. Cost for the lessons will be shared with a portion of the cost covered by scholarships and the other portion paid by the family.

Basic Needs (food, clothing, shelter, utilities)

2-1-1 North Central Oklahoma (211)

FREE 24-hour telephone number that connects people with important community services. 2-1-1 makes the process simple. It is the one central phone number available every day of the year that helps people get in touch with health and human service agencies, including:

- Basic Human Needs Resources
- Physical and Mental Health Resources
- Employment Supports
- Support for Older Americans and Persons with Disabilities
- Support for Children, Youth and Families

Enid Civitan Club Crisis Fund

Crisis fund to maintain shelter and warmth - Applicant must have already applied to churches, ONG, OG&E, landlord, etc and be physically or developmentally disabled.

The group also sponsors bi-annual dances (spring/fall) for those with developmental disabilities.

Phone: 580-237-3630

Food 4 Kids

An emergency food assistance program of the Regional Food Bank of Oklahoma, Food 4 Kids is designed especially for elementary age children. Chronically hungry children identified by school personnel receive a backpack filled with non-perishable, child-friendly food for over the weekend or a school holiday.

Garfield Co. - Many area schools already participate in this program. Contact the school counselor for more information. A summer food program is also available through at least one elementary school site each summer.

Major County - Contact: Vicky Neufeld, Fairview Public Schools Nurse,

vneufeld@aurora.com or Barry Nault, Aline-Cleo Public Schools Superintendent. The Major County Sooner SUCCESS Coalition has a Summer Food for Kids Program which provides sack of "kid friendly" nutritious foods each week during the summer to chronically hungry children pre-k through 8th grade. To contact the coalition about a need or to make a donation, call Melissa Powell at (580) 542-3009.

If you are interested in starting the Food 4 Kids program at your school, please contact the Regional Food Bank to apply. Any elementary school that serves low-

income children can apply. The Food Bank supplies and delivers pre-assembled food sacks and backpacks to participating schools at **no cost to the school**. The Food Bank will also supply a storage cabinet for your school, if it is needed.

Jennifer Gooden, Childhood Hunger Specialist

Food Pantries

Loaves & Fishes Food Resource Center

701 E. Maine

Enid, OK 73701

Ph: 580-540-9830

Email: loavesandfishesnwok@yahoo.com

Open 4-7 p.m. Tuesdays and Thursdays, 10 a.m. to 3 p.m. Wednesdays and Fridays, and 10 a.m. to 1 p.m. every third Saturday. The center uses a food point system that will allow people to obtain food once a month. The pantry has a system identifying the needs of low-income families and giving them points to spend on food from the shelves. Healthy food costs fewer points; the less healthy the food, the more points needed. The system encourages healthier food choices.

Infant Crisis Services, Inc. - "No baby should go hungry"

4224 N. Lincoln Blvd., Oklahoma City OK 73105

Phone: 405/528-3663

Referral email: referrals@infantcrisis.org

Fax to 405.528.1290.

Monday- Friday 9 AM- 3 PM and Saturday 9 AM- Noon (By appointment only)

<http://www.infantcrisis.org/>

Serves babies and children ages birth through 4th birthday. Can reside anywhere in Oklahoma. Requires referral from social service agency or DHS, WIC, doctor's office, hospital, etc. Infant Crisis Services provides formula, baby and toddler food, diapers, blankets, clothing and other basic necessities. Based on availability of items, Infant Crisis Services will provide your baby or toddler with:

- * One weeks supply of diapers,
- * 2 cans of formula
- * Pack of baby or toddler food
- * Seasonal clothing, 3 matching outfits
- * A pack of wipes
- * Sleeper, socks, blanket and other miscellaneous items
- * Age appropriate toy
- * Book

Requirements:

- * The baby must be present at the time of the visit. Our loving volunteers will be on-hand to help take care of your children while you "shop" for the items you need.
- * A referral from another helping agency is required. If you need help obtaining a referral, please contact your WIC or DHS office.
- * Services are provided a maximum of four times during the baby's first 48 months.
- * We serve clients by appointment only. To schedule an appointment, please call 405-528-3663

A referral consists of the Caretaker (mom, dad, grandparent, etc.) and Child's name and date of birth and the referring agents information. Referrals can be called in to their office, emailed or faxed, and a referral only has to be made one time per child. Currently, we serve kinship foster care only, not traditional foster care. Please note that after a referral has been made, appointments are available the same day or the next

Low Income Home Energy Assistance Program

Provides 1 time payment toward an eligible household's primary source of heat (gas or electric). Applications are available through the local DHS office or online at

Enid Enabling Gardens
Kate Morrison, Faith Farm Coordinator
820 W. Cherokee
580.237.4800
faithfarm@hopeoutreach.org

In 2009 the garden was renovated to create an Enabling Garden for those with mobility impairments. Paths were resurfaced in the main areas with compacted decomposed granite making them accessible to those using wheel chairs, walkers or canes. Large planters and raised beds were added to enable these same individuals to sit or stand with support and enjoy gardening activities. A permanent shade pavilion was built to provide a shady area for resting or utilizing the built in work station area. The primary purpose of Faith Farm is to provide Garden Therapy; using plants and horticulture activities to improve the social, educational, psychological and physical well-being of individuals in a variety of situations. Working in a garden setting has been proven to help people relax, reduce stress and provide exercise. In addition it can improve self-esteem, encourage creativity and teaches cooperation and problem solving.

Youth Leadership Forum for Students with Disabilities

Leadership development program for Oklahoma high school juniors and seniors with disabilities sponsored by the Oklahoma Developmental Disabilities Council. This week-long forum held each summer on a college campus provides youth with the opportunity to discuss topics such as leadership, systems change, goal setting, disability awareness, advocacy, career exploration, disability culture, volunteering and much more. Exciting presenters, community leaders, legislators and other professionals. To identify existing barriers to personal and professional success and develop plans to deal effectively with those barriers. To developing their own Personal Leadership Plan. To participate in large & small group activities with successful leaders, participating in a mock legislative debate in the House of Representatives Chamber, and more!

What are the requirements to attend this Forum?

To be eligible for the Youth Leadership Forum, students must:

- (a) Reside in Oklahoma
- (b) Have a disability
- (c) Have demonstrated leadership potential in school and the community

What is involved in the application process?

The "Intent to Apply" application is due to the YLF office no later than February 1. The Application is due to the YLF office no later than March 9. Applicants will be contacted by telephone to arrange a interview. All applicants will be notified by letter whether they are one of 25 youth selected to attend the YLF. Additional detailed information on the Forum will be requested by those selected to attend.

Cost: There is NO charge for student delegates to participate in this Forum. All appropriate expenses will be paid by YLF, including lodging, food, and accommodations as requested.

For additional information or to schedule a presentation, contact:

405-521-4964 or 800-836-4470 (outside Oklahoma City) or email: jenifer.randle@okdhs.org

Download Applications at http://okddc.ok.gov/youth_leadership_forum.html

Care Notebooks

A care notebook is simply a 3 ring binder that:

- Helps maintain an ongoing, organized record of a child's care, services, providers, & notes.
- Maintains open lines of communication across multiple providers. Ensuring that any family accessing professional services could quickly and effectively provide a new provider with their basic information and history as well as current services being provided by others.

What to include:

An Emergency Information Form for Children with Special Needs – This form was created by the American College of Emergency Physicians and the American Academy of Pediatrics and is available as a PDF file at:

<http://miemss.umaryland.edu/BusSafetyProgram/EmergencyInfoForm.pdf>

Information Organizers – Because this approach has already been adopted by several different states there are a variety of information forms already designed and available online. To receive a CD of commonly used forms in Oklahoma as well as assistance with notebook supplies & assembly, contact Theresa Sharp of the Oklahoma Family Network at 580-977-7479

The following web resources include packets of forms that can be used "as is" or adapted to meet individual needs.

- Build your Own Care Notebook Online at the National Center of Medical Home Initiatives for Children with Special Needs Web Site.

This web site is designed to assist families to build their own care notebooks for their own children with special needs. *The web site allows parents to select different versions of care notebooks and put them together to build their own customized care notebook.* A parent then has the capability to review up to 20 different versions of the subsections that they would like to include in their child's care notebook, and download those Word or PDF files to their computer. The site also includes an online tutorial for parents to guide them in "how to" use the online care notebook for their child or patient.

Tutorial

http://www.medicalhomeinfo.org/for_families/care_notebook/

- Cincinnati Children's Hospital Medical Center (Ohio)

To assist physicians and caregivers of children with specialized health care needs, the staff of the Center for Infants and Children with Special Needs at Cincinnati Children's Hospital Medical Center provides general and emergency information forms for children with special healthcare needs.

<http://www.cincinnatichildrens.org/svc/alpha/c/special-needs/resources/forms.htm>

- Coordinated Care Record

Includes extensive information similar to other models plus worksheets to organize insurance and funding information.

<http://internet.dscc.uic.edu/dsccroot/parents/ccr.asp>

- My Yearly Health Check

This organizer includes extensive picture symbols to help individuals with intellectual disabilities and self advocates manage their own information.

<http://www.ldhealthnetwork.org.uk/docs/healthassessment.pdf>

Family Centered Care Self-Assessment

These three PDF documents (a Family Tool, a Provider Tool, and a User's Guide) are designed to assist communities in assessing their strengths and indentifying areas that could use improvement.

The tools can be used by families to measure the care their children and youth are receiving. Health care providers can use them to evaluate ways to improve services and supports within the community. The three tools are ultimately intended to successfully build organized family-centered services for all children, including those with special health care needs.

Childcare

ADA Helpline

Monday through Friday from 8:30 a.m. - 4:30 p.m. Spanish language service is also available. 1- (800) 514 - 0301 (voice) or 1-(800) 514 - 0383 (TTY). Can answer your questions about what the Americans with Disabilities Act requires of you as a childcare provider.

"Commonly Asked Questions about Child Care and Americans with Disabilities Act"

<http://www.usdoj.gov/crt/ada/childq%26a.htm>

Applewood Early Learning will be moving to a new location within the YWCA Enid They are excepting infant - school age children. For more information contact Jeff Brooks at 580-541-8402. 525 S. Quincy.

Childcare Consultation for Challenging Behaviors
1-888-574-5437

Parents or providers can contact the Warmline to request on site observations, staff training on positive behavior support strategies, support for staff as they implement recommended strategies, help in locating materials, assistance with parent meetings, assistance with management issues, and help connecting staff & families with additional resources. If a child has already been expelled from a childcare setting, parents can request a consultant to go with them and assist them in developing more effective supports at their next childcare setting.

Child Care Finders

Not for profit center that provides assistance finding appropriate childcare providers, offers regular training for providers on caring for children with special needs (Tic Toc Training)

114 S. Independence

Diagnosis & Screening

Basics for parents - Ever wish you had a guidebook when it came to the eligibility process & determining whether your child meets the requirements for special education. This article will walk you through it step by step in reader friendly language.

<http://www.nichcy.org/EducateChildren/Steps/Pages/default.aspx>

Child Study Center

Interdisciplinary evaluations, treatment, and consultation for children with special developmental, educational, behavioral, and medical needs. Part of OU Health Science Center. Parents should be referred by their child's primary care physician. The physician will complete a 2 page questionnaire for the CSC and then the CSC will contact parents to schedule an appointment (usually within 90 days) and provide a parent questionnaire for parent to complete prior to appointment. NOTE: Without physician referral the wait will be longer. Contact CSC at 405-271-5700 and ask for the referrals coordinator. Additional details on individual clinics available at:

Psychological Services Center
Oklahoma State University
118 N. Murray Hall
Stillwater, Oklahoma 74078-0250
(405) 744-5975

Services: The PSC provides services to children, adolescents, and adults. Services are available to residents of Stillwater and the surrounding community, as well as to OSU students, faculty, and staff. The PSC offers a variety of psychological services, including but not limited to:

- Adult and Child Individual Therapy for Adjustment Problems, Depression, Anxiety, and Post-traumatic Stress Disorder (PTSD)
- Couples and Family Therapy
- Assessments for Learning Disabilities, Attention-Deficit/Hyperactivity Disorder (ADHD), Emotional/Behavioral problems, Autism, and other Developmental Disabilities; the PSC Assessment Clinic does not conduct forensic evaluations, custody evaluations, and/or court-ordered evaluations.
- School-Based Parent Education and Support for parents of children with behavior problems
- School-Based Social Skills Groups for children with peer relationship problems
- Group Therapy (e.g., Meditation and Stress Reduction, Emotion Regulation, and Healthy Relationships)

Fees: Initial, required intake appointments are \$10, and therapy session fees are calculated according to a sliding scale based upon level of income, with fees starting at \$10 per session. Fees for assessments are also based on a sliding scale and range from \$150-\$1000. OSU students pay a standard fee of \$250.

Early Intervention

A Better Chance Clinic (OUHSC)

Provide comprehensive developmental evaluations (cognitive, speech, and medical) to evaluate how a minor compares with other minors by conducting cognitive, motor, speech, and medical evaluations on children who have been prenatally exposed to drugs/alcohol or there may have been prenatal exposure. Treatment recommendations are made but treatment is not provided.

Center for Response to Intervention in Early Childhood

<http://www.crtiec.org/>

Child Guidance

Child Guidance services are part of the primary prevention, diagnostic, and treatment services offered by Garfield County Health Department and the Oklahoma State Department of Health. When fully staffed the guidance team includes a Psychologist, a Child Development Specialist and a Speech/Language Pathologist. This program serves children birth to twelve years of age and their families. We believe parents are an essential part of any services provided to a child and they are involved throughout the course of intervention. Fees are based on a sliding scale and are determined by the annual gross income and size of the family. Medicaid and insurance are accepted. No one is refused services because of an inability to pay. Services include: Evaluation and Screening; Prevention and Education; Individual, Family, and Group Intervention; Consultation and Referral. Call (580) 233-0650 for an appointment

Children First - Bobbi Smith

The Children First program is a community-based voluntary family resource program, which offers public health services to families expecting to deliver and/or parent their first child. The program encourages early and continuous prenatal care, personal development, and the involvement of the fathers, grandparents, and other supporting persons in parenting.

Public Health Nurses provide home visitation services during pregnancy and the first two years of the child's life. The nurses follow well-developed program protocols that focus on the following domains:

- Personal Health
- Environmental Health
- Life Course Development
- Maternal Role
- Family and Friends Support
- Health and Human Services

Program goals are to produce healthy family members and enhance a family's ability to care for itself. At enrollment the mother must be less than 29 weeks pregnant, expecting her first child & meet income eligibility criteria for WIC or Medicaid. Call (580) 233-0650 for an appointment

Children with special health care needs

Medical services for special needs kids not eligible for Medicaid - food supplements, genetic testing & counseling, neonate, specialty services, formula for PKU, respite

Early Childhood Mental Health Resources for parents, early childhood mental health consultants, and other early childhood staff:

- *My 1st Year* is designed to document a baby's first year of life and can be used as a tool by both providers and parents.
- *Discovering Feelings* offers caregivers an easy way to: (1) Introduce emotional vocabulary to a child; (2) Illustrate for children a range of emotions; (3) Validate the wide range of emotions experienced by children; and (4) Assist children in linking emotional vocabulary

Early Foundations Preschool

Autism Model and Outreach Project

Mayflower Congregational Church

3901 Northwest 63rd Street, Oklahoma City, OK

405-842-9995

Early Foundations is a unique, model program and outreach project serving very young children with autism spectrum disorders (ASD) and their families in Oklahoma. The project focuses on the importance of early, intensive intervention as soon as a toddler is diagnosed with ASD. Services are provided in developmentally appropriate settings where there are typical childhood activities and contact with typical peers. In addition to developing an effective model, this project is intended to provide replication and outreach support to assist other communities in developing a program with the recommended components. The initial program is housed at the Mayflower Congregational Church in Northwest Oklahoma City. New programs are also available in Mustang & Norman. For more information about how to start an Early Foundations in your area, call 405-842-9995.

Effective practices for preparing young children with disabilities for school (article)

<http://www.specialed.us/autism/early/ear11.htm>

Effective programming for young children with autism (ages 3-5) (article)

This article reviews 5 general principles that can be used to guide the selection of effective practices: least restrictive environment, family-centered services, trans-disciplinary service delivery, inclusion of both empirical and value-driven practices, and inclusion of both developmentally and individually appropriate practices.

<http://www.kidsource.com/kidsource/content3/effective.practices.html>

Enid Public Schools - 4 year old program

Enid Public Schools offers developmentally appropriate 4-Year-Old classes that meet the needs of every child. Half-day 4-Year-Old programs are available at each of the ten elementary schools plus three additional programs located at the YWCA, The Commons, and Greenbrier village. All of these programs focus on the social, academic, physical and emotional needs of children. With innovative, hand-on learning centers and caring early childhood specialist this program will give your child a great school beginning! At the YWCA the early childhood program is coupled with the quality childcare of the YWCA. Students in this program can attend the school's 4-Year-Old program on-site, and then stay in the morning or afternoon for childcare. The Commons and Greenbrier Village are two new innovative intergenerational programs. These programs allow students to have "grandma and grandpa" buddies. Chris Smith, Early Childhood Consultant. Phone: 580-366-7000

EPSDT - early, periodic screening, diagnosis & treatment

Provides kids under age 22 with regular medical check ups including health, eyes, hearing, & dental. Must be eligible for Medicaid

Call local DHS office at 580-548-2100 or SoonerCare Helpline at 1-800-987-7767

Infants and Epilepsy

Information for both providers & parents on treating and managing epilepsy in infants.

<http://www.epilepsyfoundation.org/infants/>

<http://www.epilepsyandmychild.org/>

Infant Crisis Services

Provides formula, baby and toddler food, diapers, blankets, clothing and other basic necessities. Based on availability of items, Infant Crisis Services will provide your baby or toddler with:

- One weeks supply of diapers,
- 2 cans of formula
- Pack of baby or toddler food
- Seasonal clothing, 3 matching outfits
- A pack of wipes
- Sleeper, socks, blanket and other miscellaneous items
- Age appropriate toy
- Book

Requirements:

- The baby must be present at the time of the visit. Our loving volunteers will be on-hand to help take care of your children while you "shop" for the items you need.
- A referral from another helping agency is required. If you need help obtaining a referral, please contact your WIC or DHS office.
- Services are provided a maximum of five times during the baby's first 48 months.

Parents as Teachers

<http://www.sde.state.ok.us/Programs/ECEduc/OPAT.html>

OPAT provides parent education for expectant parents and parents of children birth to age three in participating school districts to strengthen the capacity of parents to be effective first teachers and give their children the best possible start in life.

Services can include: personalized home visits, support groups, developmental screenings, and a referral network. Offers universal eligibility.

Parents as Teachers also offers a home visitation program targeting at risk families. The program serves children under age 5. Priority is given to families that have a parent under the age of 21; that are low income & receiving assistance from programs such as Soonercare and WIC; have a child with a disability, have a family history of mental illness; are a military family with recent deployment; have a history of substance abuse; have a history of domestic violence, or have a home that includes tobacco users.

Parent education, home visits, group meetings, developmental screenings, and support for families with children prenatally to age 3. Includes parent child interaction training.

<http://sde.state.ok.us/Curriculum/SpecEd/SoonerStart.html>

Our early intervention services are provided for eligible children (newborn to 3 years of age) and their families. Children are determined eligible with an automatically qualifying condition or syndrome (for example: Down's Syndrome, Cerebral Palsy and etc.) or through developmental testing.

Developmental testing is available for the following areas:

- Personal/Social
- Self-Help
- Gross/Fine motor
- Receptive/ Expressive Language
- Cognition
- Hearing
- Vision

Intervention services may include:

- Parent education
- Nutrition
- Nursing
- Speech/Language therapy
- Physical therapy
- Occupational therapy
- Audiology
- Social work
- Child Development services
- Vision Consultant
- Deaf and Hard of Hearing Consultant
- Resource coordinator services

All services are free of charge regardless of insurance or income. Services are provided where the child typically spends time such as home or child care, but families are welcome to come to the county health department also. We serve families in Garfield, Grant Major, Alfalfa, and Woods counties. For more information or to make a referral call (580) 233-0650 and ask for SoonerStart

Choosing and Using Accommodations: IEP Team considerations

Deciding how to support children with disabilities is not easy. To assist you, Special Connection at the University of Kansas has designed a set of questions designed to serve as a tool to help the IEP team discuss and determine what accommodations a student needs in the classroom or in assessment. For more info, visit the University of Kansas website

Feelings Matter

Description: Friendships Matter. Families Matter. Supporting Each other matters. Our thoughts and feelings matter. This program will help students understand how the things they do and think affect what they do. They will get an inside look at how brain health is connected to overall health and how friends can help them manage stress. This program is made possible through the support of Oklahoma Systems of Care and Newspapers in Education.

Grade Divisions: Middle

Original Publication: Fall 2011 (2011-2012 school year)

Program Components: [Student Supplement - Wrap](#), [Lesson 1](#), [Lesson 2](#), [Lesson 3](#), [Lesson 4](#), [Lesson 5](#), [Lesson 6](#), [Lesson 7](#)

Positive Behavioral Interventions

A child's behavior is always logical from their perspective, but sometimes the rest of us need a little help keeping up. The Partners Resource Network has put together a new information packet to help families, caregivers, and teachers develop a new way of thinking about behavior and more importantly find positive ways to respond.

This curriculum was developed to help families understand the "behavior process" so that parents can speak confidently about the need to teach their child positive behavioral alternatives instead of simply punishing behaviors that are disruptive.

www.partnerstx.org/PositiveBehavioralInterventions.htm

Response to Intervention (RTI): A primer for parents

A major concern for parents is how to help their children who experience difficulty in school. This Primer for Parents, developed by the National Association of School Psychologists, helps parents understand the RTI approach to providing services and interventions to struggling learners, including early intervening services through academic and behavioral supports rather than waiting for a child to fail before offering help. It also suggests ways parents can become involved in the process and provides links to additional RTI resources.

<http://www.nasponline.org/resources/handouts/rtiprimer.pdf>

Retention

Schools sometimes advise parents that their child will be retained in grade because of making insufficient progress. If this sounds familiar, then you may find this issue of the Wrightslaw newsletter helpful in challenging that decision.

<http://www.wrightslaw.com/info/retain.letter.htm>

Special Education Teacher Grants

Each year the 4RKids Foundation awards grants for classroom projects & materials that reflect innovation in programming for developmentally disabled students. All teachers who work with special needs students in Garfield or the surrounding 7 counties can apply. Application deadline in mid October. Applications available at: 710 Overland Trail

Enid OK

Or by calling: 580-237-7890.

Teaching your students social interactions

Acts of Kindness

Fairview Mennonite Brethren Church
 LaDonna Pembroke
 1220 North 8th
 Fairview, OK 73737
 580-227-3010

Provides financial assistance on a case by case basis to families in need in Major County.

Alternative Financing Program

A low interest bank loan that provides Oklahomans with disabilities or those that have a dependent with a disability the opportunity to purchase needed assistive technology. This could turn unaffordable hearing aids into an affordable monthly payment that has a 5% fixed interest rate for up to 36 months. This bank loan can even help individuals that have very low income because the Oklahoma Assistive Technology Foundation can guaranty the loan of qualified applicants. For more details on the AFP you can go to the ABLE Tech web site at:

http://www.ok.gov/abletech/Device_Bank_Loans/index.html

Alternatives in Motion

Provides wheelchairs to individuals who do not qualify for other assistance and could not obtain such equipment without financial aid.

<http://www.alternativesinmotion.org/home>

American Airlines will fly a parent and a child needing medical care such as Hyperbaric Oxygen treatment therapy in the U.S.

<http://www.aa.com/aa/homePage.do>

Aubrey Rose Grant – Medical Assistance

Grants are awarded based on need. If a family has outstanding medical bills that insurance will not cover, our Foundation can possibly help out a family in need until our annual funds have been exhausted. As our funds grow, so will the number and the amount of help we will be able to give. Deadline Feb. 1st

<http://www.aubreyrose.org/grants.htm>

CVS Caremark Charitable Trust & Community Grants

The CVS Caremark Charitable Trust is sponsoring 501c(3) organizations that are focused on serving children with disabilities in the areas of accessibility to physical activity, early intervention, or health services. Resources can also go to support organizations that are working to provide healthcare to the uninsured.

Do Something Grant

Over the course of 2009, the *Do Something* organization will award fifty-two grants, one every week, to help young people implement or expand a community action project, program, or organization. If you know of a youth who has a great idea for helping their community, encourage him or her to apply!

<http://www.dosomething.org/grants/general/apply>

E Angels Helping Network

e_angelsofenid@yahoo.com

E-Angels Helping Network is a program which hosts an email listing of individuals in the Enid community who have agreed to consider helping someone in need. Needs are Identified through non-profits, DHS, churches, and schools. Referrals are made to an e-mail database so that the individual or family's needs can be addressed through a community effort. **ALL** referrals must come strictly from nonprofits, churches, and schools. This program is not for those who have chronic needs, as those families needs would best be met through case management services or more long term solutions, but can assist with short term emergency needs. This program is 100% volunteer-no paid positions. It is grassroots people helping others. Please consider adding your name to the email list.

Easter Seals Oklahoma

Provides financial assistance. Helping families provide necessary services and equipment for their children with disabilities. Easter Seals can assist families who are economically eligible receive medical evaluations, ear and eye surgeries, etc. for their children. Foster Parent Hotline: 1-800-376-9729

New Directions

A 12 week group treatment program for children ages 3 to 12 in foster care due, in some part, to parental substance abuse, and their foster parents. The program curriculum integrates principles from the Children's Programs at the Betty Ford Center and Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) model and is designed to help foster children and foster parents more effectively cope with the negative impact of parental substance abuse. Additional services provided at no cost to foster children and their foster parents include cognitive and developmental screenings, assessment of current psychosocial functioning, treatment, education and advocacy for foster parents, and babysitting during group hours. New Directions works to improve child functioning and enhance foster placement stability by:

- Teaching safe and healthy coping
- Stabilizing mood and increasing self-esteem
- Reducing acting-out behaviors
- Reducing trauma symptoms
- Teaching foster parents additional ways to manage challenging child behaviors

- Assisting in the child's transition from foster care to the biological parent(s), when applicable

Phone: (405) 271-8858.

Downloadable referral form available on the New Directions website:

Oklahoma's Foster Care Clothing Voucher and Authorization System
OKDHS Pub. No. 00-03 (Leaflet)

Two leaflets. One explains the foster care clothing voucher and authorization system to foster parents and the other explains the system to vendors. Publications may be ordered by calling 1-877-283-4113 or by e-mailing your order to the Oklahoma Department of Human Services (OKDHS) at Bill.Gulick@OKDHS.org.

When requesting a publication please include the following information:

- Title of the publication
- Publication number
- Quantity desired
- Your mailing address

Oklahoma Independent Living Program

Focuses on our teen population and seeks:

- to promote the importance of early planning for one's future;
- to develop each individual's innate strengths;
- to promote the concept of permanent connections;
- to ensure transition of young people ages 16-21 from state custody to self-sufficiency and successful adult living;
- to support youth by encouraging a multi disciplinary approach through training of field staff, and other appropriate adults;
- to develop teen targeted resources and community partnerships.

Services

- Life Skills Assessment
- Tutoring
- Life Skills Training

Theresa West, Independent Living Skills

White Fields
Cares for abused and neglected boys age 8 to 18 who are in the permanent custody of the Oklahoma Department of Human Services Child Welfare Division and unable to succeed in the foster care system. White Fields provides residential cottages for the boys as well as an on-campus school and opportunities for recreation, learning, mentoring, community involvement and quality mental health treatment. Our primary goal is to provide these boys hope and stability to help them along their roads to recovery and healing.

Healthcare: Dental

Oral Healthcare for children with special healthcare needs: Parent/Provider Guide

This guide is designed to be a tool kit for family members/caregivers to help provide good oral care for the children they care for. It is also designed to be a quick reference guide for dental providers on how to best provide oral care for children with special health care needs. Available online in a pdf format for ease in printing:

<http://okacaa.org/Internal%20Links%20REVISED%20Version%20Oral%20Health%20Care%20for%20Children%20with%20Special%20Health%20Care%20Needs.V3.pdf>

Oklahoma Dental Foundation - Mobile Dental Van program

The Oklahoma Dental Foundation offers onsite dental screening and treatment for children who might not otherwise have access to dental care. Priority will be given to children who:

- Do not have a dentist
- Have dental issues and no insurance or means of accessing services
- Have a family income that is less than 200% of the poverty level (based on parent self report) For a family of 4 this would mean an income of approximately \$41,000

A one-day session with the Mobile Dental Van (MDV) can serve 12-16 children depending on the type of services needed. The MDV can provide all basic care needed for children. All services are provided by the Oklahoma Dental Foundation dentist and are provided at no cost to the family or the school. Services that cannot be completed in a single session are started the day of the clinic and finished by a volunteer dentist at their local practice (still without cost to the family). Schools or organizations interesting in hosting the mobile dental van in their community should contact the Oklahoma Dental Foundation at 405-241-1299.

Healthcare: Medical

Goodbye, Fears!

The Children's Hospital at OU Medical Center has introduced a new internet tool to prepare children and their parents for a hospital stay. The site uses whimsical characters to acquaint children with what they might see, hear and do while they are receiving care in a hospital environment. The site includes a separate section for parents. The comprehensive information found in this section includes tips on preparing for surgery and acquaints parents with services and amenities available within the hospital. It also provides resources that help families find appropriate and convenient accommodations during a loved one's hospital stay.

CALM Center

Serves all of Oklahoma. It is a crisis stabilization center free of charge to families. Serving children 10-17 when a behavioral or other family crisis is too severe for outpatient care but not severe enough for inpatient care. Youth stay up to seven days, learn new skills and return home with a plan for change and help connecting with local service providers for follow up care. Families also receive education and support. Families can self-refer or referrals can be made by supporting professionals (schools, law enforcement, DHS, counselors, etc). A legal guardian must sign the child into the facility. Families are usually approved for admission within 30 minutes of their initial referral call.

Reformers Unanimous Addictions Ministry

A Christ centered addictions ministry designed to help adults find freedom from addictive behaviors. We accomplish this with a unique spiritual approach by assisting men and women in building and sustaining a dynamic love relationship with Jesus Christ. We believe the key to recovery without relapse is knowing the Truth, because the Truth makes us free.

New Directions

A 12 week group treatment program for children ages 3 to 12 in foster care due, in some part, to parental substance abuse, and their foster parents. The program curriculum integrates principles from the Children's Programs at the Betty Ford Center and Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) model and is designed to help foster children and foster parents more effectively cope with the negative impact of parental substance abuse. Additional services provided at no cost to foster children and their foster parents include cognitive and developmental screenings, assessment of current psychosocial functioning, treatment, education and advocacy for foster parents, and babysitting during group hours.

New Directions works to improve child functioning and enhance foster placement stability by:

- Teaching safe and healthy coping
- Stabilizing mood and increasing self-esteem
- Reducing acting-out behaviors
- Reducing trauma symptoms
- Teaching foster parents additional ways to manage challenging child behaviors
- Assisting in the child's transition from foster care to the biological parent(s), when applicable

Contact: Susan Schmidt, Program coordinator

Phone: (405) 271-8858.

Downloadable referral form available on the New Directions website:

<http://oumedicine.com/newdirections>

Reflections Halfway House

YWCA Enid's Reflections Halfway House is a residential program providing support services to low-income women, with dependent children, who have recently completed drug and alcohol treatment. The safe and supportive environment of a Halfway House facility provides a wide range of assistance including improvement in client education and employability levels. Referrals are accepted from a variety of sources including, but not limited to: treatment centers, the Department of Human Services, doctors, and hospitals. Self referrals are accepted in some circumstances. The client stay varies with the individual client and progress. REFLECTIONS recommends no less than sixth months to permit clients to work on their treatment plans/goals and develop a solid base of sobriety.

Contact: YWCA (580) 234-7581

SAFE: School and Family Enrichment

Combines individual, group & family counseling, some in-home visits, case management, service linkage, and educational advocacy. Available at: Coolidge, Adams, Garfield, Lincoln, Harrison, McKinley, Longfellow, Enid High & the alternative

school. Also available at Chisholm, Kremlin, Pioneer, Pleasant Vale, and Waukomis School districts in Garfield County.

Shadow Mountain Services

All services are for children and adolescents. Shadow Mountain offers both acute and residential treatment for a wide range of behavioral health issues such as ADD/ADHD, depression, fire starting, harm to self & others, impulse control disorders, ODD, psychotic symptoms and Threshold for Change for sexually aggressive youth. Shadow Mountain also provides therapeutic foster care for its region of the state and will support children needing TFC outside their area if therapeutic care is not available in their home region.

Riverside is a specialty programs for children autism spectrum disorders, reactive attachment disorders, a dual diagnosis of developmental delay and mental health issues.

Eagle Creek is a less restrictive therapeutic program that utilizes a primarily an outdoor setting along with Native American traditions, an experiential approach and equine therapy to address the emotional & behavioral needs of adolescents.

Virtually all of the children receive their treatment through Soonercare coverage or private payment as most insurance plans exclude this type of treatment.

Average stays: Shadow Mountain – 60 to 90 days
Thresholds for Change – 9 months to a year
Riverside – 6 to 9 months
Reactive Attachment Program – Approximately 1 year

Healthcare: Medication Assistance

Scheffe West

1925 W. Owen K. Garriott

Enid OK 73703

580-242-3784 or 877-242-3784

A compounding pharmacy. Compounding is the mixing of drugs by a compounding pharmacist to fit the unique needs of a patient. This may be done for medically

necessary reasons, such as to change the form of the medication from a solid pill to a liquid, to avoid a non-essential ingredient that the patient is allergic to, or to obtain the exact dose needed. It may also be done for voluntary reasons, such as adding favorite flavors to a medication.

Needy Meds

Blue Sage Massage

Nationally certified massage practitioner with seven years experience providing massage to clients in their own homes and offices. Certified as a Personal Trainer, enhancing the massage session with the ability to teach stretches and exercises to help maintain flexibility, strength, and balance gained. Massage is available to the most fragile of clients, in the most comfortable location and position for the individual. An easy chair or recliner or even a hospital bed will work, as long as the client is comfortable. Medical equipment and tubing are no problem. Every effort is made to maintain the comfort, safety and dignity of each individual. Previous clients include those with traumatic brain injuries resulting in quadriplegia, multiple sclerosis and cerebral palsy, and the very elderly

- Swedish Massage
- Site-specific Therapeutic Massage
- Shiatsu
- Sports Massage
- Bedside Massage (Hospice/Hospital patient)
- On-Site Chair Massage at your event/workplace
- Tender Touch Massage for seniors
- Aromatherapy
- For the most fragile clients: Hand/Foot/Scalp Massage

Special Needs Massage: works with client's own recliner, wheelchair, or other equipment

Helpful Hotlines

Red Rock Emergency Crisis Intervention:

Red Rock has a Children's Crisis Unit for children ages 10-18. This crisis stabilization unit can take children who are in crisis, a danger to themselves or others, or who are experiencing severe Mental Health symptoms and need rapid stabilization. They take calls and make admissions 24 hours a day and take children who are on Medicaid, indigent or who have private insurance. They are a self-authorizing service so you do not need to call for prior authorization

Emotional Disorders

Not all children grow from infancy through their adolescent years without experiencing some bumps along the way. While every child is unique and special, sometimes they encounter emotions, feelings or behavior that cause problems in their lives and the lives of those around them. Families often worry when their child or teenager has difficulty coping with things, feels sad, can't sleep, gets involved with drug, or can't get along with family or friends. The AACAP developed Facts for Families to provide concise and up-to-date information on issues that affect children, teenagers, and their families

The National Center for Learning Disabilities (NCLD)

An extensive toolkit in Spanish to help families recognize potential signs of LD, work with their children to develop and enhance skills, and be an advocate for their children who are getting ready for school as well as those who are enrolled in K-12 education settings. This comprehensive toolkit includes:

- 30+ articles that provide information on
 - Learning disabilities, such as dyslexia, dyscalculia, dysgraphia
 - How parents can stand up for their child's rights
 - Behavior challenges and LD
 - Supporting a child's success in school
 - Helping a child to develop "success" skills such as pro-activity, self-awareness, and perseverance

- Handy worksheets
- An interactive LD Checklist

Partnership for Prescription Assistance - America's pharmaceutical companies are making prescriptions available for people without prescription coverage and who can't afford their medicine. This service was created as of April 2005. The toll-free phone number is: 1-888-4PPA-NOW or 1-888-477-2669. Their website is <http://www.pparx.org> They have brochures in Spanish.

Local Resources:

Bilingual Pediatric Therapies - Occupational and Speech Therapy

Our occupational therapists evaluate children in their native language in our clinic to determine how a disability affects their participation in school, home, and life. Then they recommend a program to address the unique effects of the child's disability. Finally, our clinicians employ the appropriate treatments which may include sensory integration, play activities, and developmental activities.

Children in speech and language therapy make amazing growth when therapy is provided in their dominant language. The barrier of learning a second language while, at the same time, learning the pragmatics of speech is removed. Additionally, our bilingual therapists can communicate directly with the parents of our clients which fosters trust and invests them in our clinic.

Subsidized low income housing.

Section 8

The **Section 8 Housing Choice Voucher** program is the federal government's major program which helps very low-income families, the elderly, and the disabled to rent healthy and safe housing in the private market.

Oklahoma Housing Finance Agency's Board of Trustees approved a resolution during its November 2011 meeting to close the Section 8 Housing Choice Voucher Program waiting list effective December 31. OHFA receives funding for the program from the U.S. Dept. of Housing and Urban Development to assist families statewide.

The need to close the waiting list results from the limited number of Section 8 vouchers OHFA administers and the increasing number of applications, about 1,400 each month, that OHFA currently receives. Already more than 12,000 families are waiting for rental assistance through OHFA with an average wait time of three to five years.

<http://www.ohfa.org/RentersLandlords.aspx?mp=HeaderRenters&quicklink=RentersandLandlords>

Shelter Plus Care

program designed to provide housing and supportive services on a long-term basis for homeless persons with disabilities, (primarily those with serious mental illness, chronic problems with alcohol and/or drugs, and acquired immunodeficiency syndrome (AIDS) or related diseases) and their families who are living in places not intended for human habitation (e.g., streets) or in emergency shelters. The program allows for a variety of housing choices, and a range of supportive services funded by other sources, in response to the needs of the hard-to-reach homeless population with disabilities. Webpage includes resource manual & fact sheet.

NeuroResources Rehab
Offers outpatient Occupational Therapy, Physical Therapy, Speech-Language Pathology, Rehabilitation Psychology, Music Therapy, Therapeutic Yoga, Pilates and Medical Massage. Accepts most insurance and managed-care companies, Medicare, Medicaid, DDSD and Contracted Providers. Service levels:
--Total U is a private-pay wellness and rehabilitation program where the patient receives therapy from a Team Treatment approach. A variety of team treatments are available for the patient to sign up for. Teams are goal specific and goal focused, not therapy discipline (OT, PT, SP) specific. Different therapists or specialists may facilitate the team treatment depending on the needs of the patients.

--The Rylyn Meacham Center (RMC) is a free clinic that shares facilities and mission of NeuroResources Rehab. RMC is free of charge to patients and

operates off a volunteer staff basis. RMC is offered Monday evenings to individuals who have sustained Spinal Cord Injury or related diagnosis. Tuesday and Thursday evenings are catered to individuals who have suffered a Stroke, Brain Injury, or other neurologic diagnosis. RMC is a faith-based, community-supported clinic that not only provides therapy for individuals in need, but teaches the patient and their loved-ones how to properly manage their condition to encourage recovery and return of the affected extremity.

Resource & Referral Assistance

211

Northwest Oklahoma 211 – One stop phone line for human service resource information.

Disability.gov

This website is an easy-to-use resource for people with disabilities. On the site, users can find disability-related information and government programs in an array of different categories. One such category is *Community Life*. This section of the website is devoted to providing full participation in the community for those with disabilities. A list of resources along the left-hand side of the page is aimed at doing just that and ranges from independent living, to cultural activities, to volunteering and community service.

Enid, OK

580-237-5595

Pumpkin Patch Kidz Respite Program

Carissa Rainey

580-603-0754 or ppatchkidz@gmail.com

Serves children ages 6 months to 12 years living in Garfield County who have special needs or are the sibling of a child with special needs. Each child is assigned a personal Buddy who provides 3 hours of respite once a month on the 3rd Friday of the month from 6-9 p.m. at Christ United Methodist Church. All families must complete application packets. Buddies are required to have a background check.

Respite Funding - Call 1-888-771-4550. Instructions provided there will direct you to the appropriate funding source (DDSD or your Area Agency on Aging). **Parents raising children with special needs** can skip this step and contact DDSD Area 1 directly at 1-800-522-1064.

First Presbyterian Church Mentor Program

Partnership with McKinley Elementary School. The First Presbyterian mentoring project matches each elementary student with a mentor and provides transportation from the school to the church for weekly recreational activities and time with mentors. Church coordinators supply the school with a yellow folder for each student each year. The teacher fills it out weekly, explaining areas where the child needs help. The mentor signs it, asks questions and makes comments. Each mentor is given the teacher's phone number and/or e-mail so that they can freely communicate during the year.

TYPE OF PROGRAM: faith-based, school-based
